Payment Schedule – The annual prepay (9/20) payment is arranged through the ACS business office. The semester (Sept., Feb.), and 9 month (Sept. - May) payments are arranged through FACTS Management Company on the 5th or 20th of each month.

Late Tuition Policy - Although FACTS Management Company specifies the date each payment will occur, it is the responsible party's financial institution that determines the time of day the payment is debited to the account. A missed payment fee will be automatically assessed by FACTS from the responsible party's account for each payment attempt that is missed. If these fees are missed, they also will be re-attempted. In addition, the financial institution may assess its own NSF fee. Any account past due by 90 days will necessitate the removal of the student from the school unless the responsible party presents a payment plan for approval to the Financial Committee of the ACS Board of Education. Any changes to the original terms of the Tuition Payment Agreement with FACTS must be approved by ACS.

Early Withdrawal Policy – If a student is withdrawn during the school year, charges are paid according to the actual number of days attended, plus 10% of the unpaid portion of the year's tuition.
